Birthday
Games
Starring
Maria
Menendez

Blindfolded and eager to begin!!!

The Eyewitness:
Describe the bandana

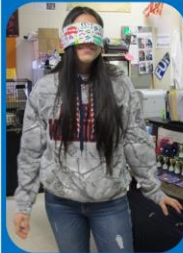

Many participants say the bandana contains balloons,
though it does not. Maria, on the other hand, said Happy
Birthday and squiggles. She responded I didn't see to all
other questions. Thus, she missed the cakes and hats, but
did not make the false alarm of saying there were balloons.
An attorney recently responded the same way as Maria.

Now It Is
Time For
Maria To Find
Her Present

Great start!!!

Making
Progress!!!

Problem
solving while
friends enjoy
watching

Its not the
bandana... so what
could it be?

Great job!!!

Attention to Details Starring Guadalupe Carrillo

After Guadalupe was blindfolded I placed some lotion on her left hand.

Guadalupe said there was lotion on her hand ✓

I touched her right hand and asked *What is on your right hand?* She said: *Lotion* ✓ *Nothing.* ✗

I placed a cloth ring on her left hand and asked *What is on your left hand?* She said: *A ring.* ✓ I asked *What is on your right hand?* She said *nothing.* ✗

I asked Guadalupe to touch the cloth ring on her left hand and the exact same spot on her right hand. I asked *What is on your right hand?* She said: *My ring.* ✓

Awesome Performance Guadalupe!!!

Thank you for participating!!!

Paired Associate Learning

Raise your hand and put it back down quickly whenever I say up. (If I associate tapping with saying up, hands will go up when I tap without saying up.)
